Date: 06.11.2023

NOTIFICATION

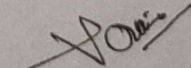

This is for information of all concerned that as per Sub Clause 10.3 of Clause 10 on "AUS TDC CBCS Regulation 2018", maximum duration for the completion of a TDC(CBCS) programme of study is $N + 2$ i.e. $3+2= 5$ years at a stretch from the date of admission. University used to conduct Special Examination of Odd and Even semester examination for those students who have completed their 5 years from the date of admission for appearing their failed paper(s) to qualify for a degree, if any. However, based on Clause 2(b) of the UGC's letter Vide D.O.No F.12-1/2015(CPP-II) dated 15th October 2015 on "*Guidelines on Determination of a Uniform Span Period Within Which a Student may be allowed to Qualify for a Degree*", duration for completion of TDC(CBCS) programme has been extended by another one more year which means that maximum duration for completion of a TDC(CBCS) programme of study is 6 years at a stretch from the date of admission instead of 5 years. *The 6th year examinations (Odd and Even sem exams) will be treated as Special Examination for them. Henceforth, no separate SPECIAL EXAMINATION for TDC(CBCS) programme will be conducted by the University.*

This issued with the approval of the competent authority.
