**A brief report
Of
One Week Online Faculty Development Programme (FDP)
on “Higher Education in 21st Century “from 04-09 July 2022**

Org. by:- Ministry of Electronics and Information Technology, Govt. India, E & ICT Academy, IIT Guwahati and Nilambazar College with Support from Skillgym.

Report Placed jointly by: Mr. Jalal Uddin, IQAC Co-ordinator and Dr. Altaf Hussain, the Course Co-ordinator.

Research and publication cell & IQAC of Nilambazar College jointly in association with E & ICT Academy, IIT Guwahati conducted a 01 (one) week online Faculty Development Programme (FDP) from 04th - 09th July, 2022 on the theme – “Higher Education in 21st Century”. The programme aimed at providing opportunities for faculties to reflect on current knowledge and practice of effective teaching and learning process through dialogue, assessment and research. All total 42 esteemed participants across the country like Haryana, West Bengal, Rajasthan and Assam registered their names and joined the programme actively throughout the week. That was a great achievement and matter of great encouragement for the entire Nilambazar College family and a source of inspiration for us for the days to come. Expert resource persons from IIT Guwahati, Prof. Sam had delivered valuable lectures, taken classes so effectively and minutely touching every corner and explained about the various mechanisms to make the teaching learning process more interesting and effective as well and all these had given us new insight in improving knowledge in the field of teaching. It was also a great opportunity to invite Dr. Niranjan Roy, Prof. Dept. of Economics, former Director IQAC, former Registrar and former Dean Mahatma Gandhi School of Economics and Commerce, Assam University, Silchar as Chief Guest and Dr. M. Faruque Hussain, Prof. & Head, Dept. of Earth Science and Dean of the Aryabhata School of Earth

Principal

P.O. Nilambazar, Dist. Karimganj

Sciences, Assam University, Silchar as Guest of Honour who delivered valuable lectures in the inaugural session on the very first day i.e. on 4th July 2022 at 10am. We had in the inaugural Session Dr. Gaurav Trivedi, Principal Investigator, E & ICT Academy, IIT Guwahati, Mrs. Firoza Haq, Programme Manager E & ICT Academy and Mr. Pranjal Barman Coordinator on behalf of E & ICT Academy Guwahati And DR. Altaf Hussain Co-ordinator from Nilambazar College also presented lectures explaining the rules, regulations and the overall system of attending the FDP programme besides the present day needs of NEP 2020. In the presidential address, hon'ble Principal of the College Dr. Atiqur Rahman welcoming all the guests and participants over the virtual platform put his delightful insight on the Higher Education and NEP 2020. Lastly with the vote of thanks given by course co-ordinator Dr. Altaf Hussain, Asst. Prof. Dept. Economics and IQAC Co-ordinator Mr. Jalal Uddin Asst. Prof. Dept. of Philosophy and in that way the inaugural session came to an end. The Programme continued as per the schedule session by session and continued day wise systematically. We had very expert resource persons taken the classes explained the different topics assigned to them. All the participants were very much impressed and had achieved new knowledge over the week. Especially Prof. Sam who was uniquely exceptional in his topic explained everything in depth so deliberately and distinctly that all the participants were too much impressed of his classes. As usual on the last day before the end of the programme there were objective type questions asked within a stipulated time period to be answered on the course structure taught over the week (4th- 9th July) and on the basis of which the certificate was given on grade basis and almost all of them had got "A" grade except a very few candidates failed to achieve good positions, which was due to the poor attendance found over the week. So it is to be worth mentioning here that it was the first time the College had organised virtually such a grand and valuable programme at national level, got the opportunity not only to meet with the learned people from various colleges and universities throughout the country but also

became able to share ideas, knowledge which surely had raised our expertise in various field of teaching and learning process in higher education in 21st century. Taking all these things in view we feel overwhelmed to the E& ICT Academy Guwahati for providing us the opportunity to organise jointly such a valuable programme. Finally in the valedictory session we had invited guest of honour Dr. Sujit Tewari, Asst. Prof. Dept. of physics, karimganj College to address the vote of thanks and from the E & ICT Academy, IIT Guwahati Mr. Pranjal Barman also thanked one and all for such a wonderful completion of this one week long FDP programme at Nilambazar college. Mr. Abdulla Hussain Laskar Asst. Prof. Dept. of Philosophy and also a participant of this FDP Programme shared his experience by presenting a thanks giving note. At last Mr. Jalal Uddin the IQAC Co-ordinator and Dr. Altaf Hussain the Course co-ordinator of Nilambazar College gave thanks to all and gave our best wishes to all and in this way the one week Faculty Development Programme starting from 04th July to 09th July 2022 has come nicely to an end.
