The aim of the project is to develop a database of resources in Nilambazar College Library. This is a platform to view the holdings of the Library.

In spite of our best efforts, you may come across errors and find inconsistencies in the data provided to the users of the online catalogue. We are taking appropriate action for the removal of the redundancy in the database. We solicit your valuable suggestion to standardise and improve the quality of the data.

The college has a sound library with more than 5000 (Five Thousand) books, which is in the process of automation. Students are allowed to borrow one 3 book at a time. But in case of Honours Students, more books may be issued to him/her. Students are to procure library card to avail library facilities. The students will have to pay cost of lost and damaged books and fine for delay in returning the books.

Five laws of library science:

1. Books / Information are for use.
2. Every reader his / her book.
3. Every book / information its reader.
4. Save the time of the reader.
5. The library is a growing organism.

Library Rules

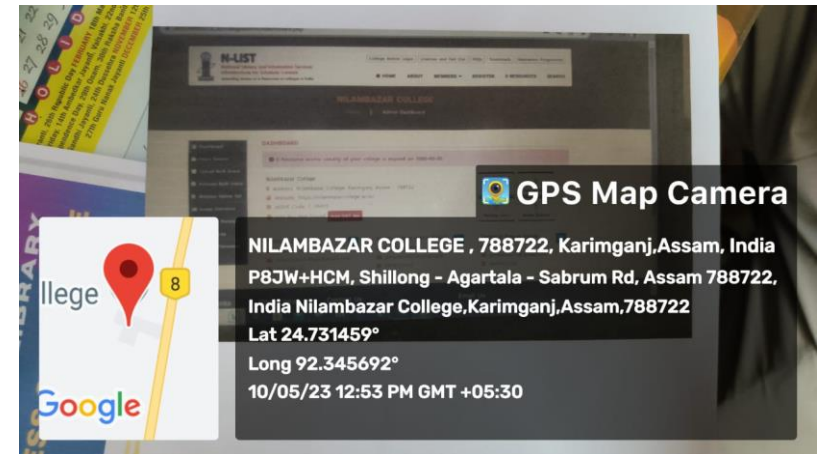

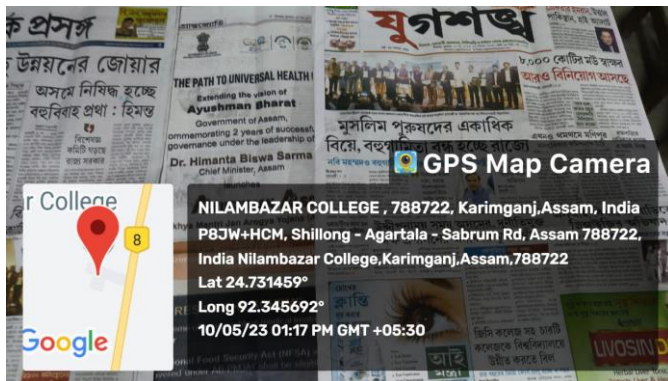

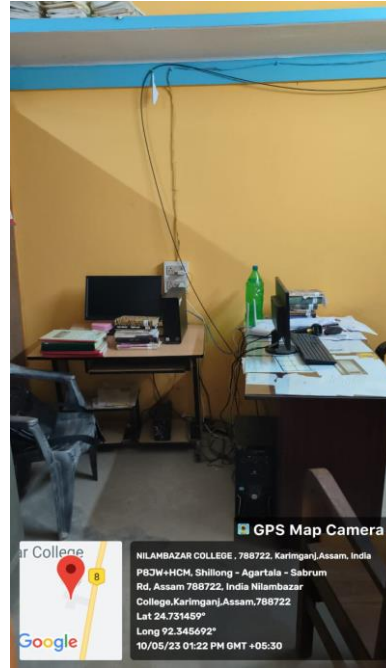

1. All eatable items are not allowed all the time in the library.
2. Please put your bags outside the library.
3. Please maintain silence all the time in the library.
4. The library users should submit the library card for taking books from the library.
5. library materials must not be taken out from the library unless the library staff properly issued.
