Sub: Job Awareness cum Career Counselling Campaign

Dear Sir,

Most respectfully, in reference to the subject cited above we would like to inform you that we are to organize a Job Awareness cum Counselling Campaign for graduates and undergraduates in collaboration with the Career Counselling Cell of your esteemed College in your College premises. Today, Unemployment is the burning issue in India and it is quite surprising that an only 49 percent young talent participates in competitive examination. In regard to North Eastern States and especially Assam the situation is even more worse. It is due to lack of awareness, proper guidance and lack of confidence among our youths. If it continues, the participation of North Eastern States especially Assam in competitive examination will be much lower. To overcome the situation, Ajmal Foundation took this noble initiative to conduct Job Awareness cum Career Counselling Campaign in each and every corner of Assam and gradually, it will extend to other states.

The primary focus of the campaign is to aware the young graduates and undergraduates about various scope and opportunities of different competitive examinations conducted by Government from time to time. The experts from similar backgrounds will address the gathering, the name and designations are included in the banner provided to your esteemed organization.

We would also like to bring it to your kind notice that the Deputy Commissioner, Superintendent of Police, Circle Officer and District Employment Officer may also be invited to address the gathering on this special campaign to encourage and boost up the young promising talents to choose a career of their own choices.

We therefore request you to kindly organize and facilitate the necessary arrangements to conduct the campaign fruitfully on 28th February-2022 from 11.00 am (Registration – 9.00 am).

Thanking you

Yours faithfully
