Research Policy

Aims of the Research Policy:

Nilambazar College, Nilambazar aims to create and support a research culture for developing and promoting scientific temper and research aptitudes among its teachers, staff and students. It helps to realize the vision and missions of the college and for contributing to national development by establishing an institutional fund and plan for facilitating their participation in research and related activities and by providing the required resources and appropriate facilities. It also ensures that the research activities of the college conform to all applicable rules and regulation as well as to the established standards and norms relating to safe and ethical conduct of research.

Objectives of the Research Policy

- Creating and administer a research fund for supporting and facilitating research initiatives and projects of faculty members and students.
- Developing rules, procedures and guidelines for granting research support, instituting awards, and supporting all other related activities.
- Preparing and updating the research agenda of the college outlining the preferred focus areas and priorities of research activities to be supported.
- Promoting interdisciplinary research and establishing modalities for preparing and undertaking joint research projects covering more than one knowledge domain as well as policies for involving extremely agencies/experts in such projects.
- Encouraging and facilitating the publication of the research work projects in reputed academic journals.
- Adopting research code, which informs all researchers about the ethical and legal norms and principles to be followed in the conduct of research.
- Preparing and implementing research quality assurance mechanism for ensuring that all research activities of the college conform to standard quality specifications.

Research Policy Implementation Mechanism

The Research and Development Cell of the college shall be responsible for implementing this research policy of the college by working closely with the college administration. The specific functions of the Research and development cell are as follows-

1. Facilitate the faculty in undertaking research and will work with the College administration to set up a research fund for providing seed money.
2. Provide research facilities in terms of research journals and research awards, honorarium etc. required by the faculty.

Co-Ordinator
I.Q.A.C.
Nilambazar College

Principal
- Nilambazar College
PO Nilambazar, Dist.- Karimganj

3. Encourage and promote a research culture (eg. teaching work load remission, opportunities for attending conferences etc.).
4. Encourage the faculty to undertake research by collaborating with other research organization/industry.
5. Create suitable procedures for giving due recognition for doing research.
6. Facilitate the establishment of specific research units/ centres by funding agencies / College.
7. Organize workshops/ training programmes/ sensitization programmes are conducted by the institution to promote a research culture on campus.
8. Prepare budgets for supporting students' research projects, field work, surveys.
9. Approach National and International organizations such as UGC, CSIR, DST-SERB, DST, ICMR, DBT, NATO, DRDO and BARC to fund major and minor research projects undertaken by the faculty and students.
10. Make efforts to improve the availability of research infrastructure requirements to facilitate research.
11. Research and development Cell shall develop and implement an official Code of Ethics to check malpractices and plagiarism in research.
12. Facilitate Interdepartmental / interdisciplinary research projects.
13. Encourage each publication/research grants/ patents/memberships of faculties/students in coming days and announce awards for annual best outcomes.
14. Create minimal incentives for the faculty who receive state, national and international recognition for research contributions as well as research awards and recognition from reputed professional bodies and agencies.
15. Encourage and promote the publication of research articles by the faculty only in reputed/ refereed/Scopus-indexed/SCI indexed journals.
16. Create and maintain a database of research work and research projects undertaken by the faculty and students as well as collect data by metrics such as Citation Index, Impact Factor, h-index, SNIP, SJR, etc.
17. Publicize the research expertise and consultancy capabilities available in the college.
18. Facilitate the provision consultancy services to industries / Government / Non Government organizations / community/ public.
19. Prepare Rules & Guidelines for Grant of Research related leave and other remissions.
20. Prepare Guidelines for design and evaluation of curriculum oriented research projects / field works / survey works.
21. Prepare annual research agenda with relative priorities.
22. Encouraging collaborative research with neighbouring college/Universities/International/National reputed institutes.
